Rolling Meadows, August 2020

Guntner US: Donald Frye - New Director of Sales Commercial Solutions

Donald (DJ) is an experienced Sales Director with a demonstrated history of working in the HVAC, commercial refrigeration, and OEM industries.

DJ's career spans over 20 years. He contains extensive heat transfer experience within markets that align with the Guntner growth objectives.

DJ and his family are located in Lake Wylie, South Carolina, a suburb of Charlotte, North Carolina. His wife Emily is a teacher at the school his twin 5 year old sons, Andrew and Thomas, attend.

His experience in the industry will surely strengthen the Guntner US team. We are pleased to have him on board.

About Güntner

Based in Fürstfeldbruck near Munich, Germany, Güntner GmbH & Co. KG is a world leader in the manufacture of refrigeration and air conditioning equipment components. With approx. 3,000 employees worldwide and production sites in Germany, Hungary, Romania, Indonesia, Mexico, Brazil and Russia, the company shows a strong presence for their partners in all markets. Decades of experience in the industry and the consistent integration of the latest technologies and research findings ensure the high-quality standard of Güntner solutions. The international areas of application comprise energy & process cooling projects, industrial and commercial applications in the field of food production and storage as well as HVAC applications for buildings and specific applications such as server room cooling.
